"Having enjoyed Denton's catering on several occasions, I'm happy to recommend them to anyone planning an event. The food is always exceptional, with fine tuned recipes that are unique but loved by everyone. Their attention to detail, whether it's ingredients, presentation, or meal planning, really shines through every time. And I can't imagine finding a catering service more capable and dedicated to making your special day a wonderful experience. Highly recommended!"

"Denton's food is full of flavor and cooked with passion. He only uses the best ingredients. Denton catered my sons rehearsal dinner and wedding reception in 2020. At the rehearsal dinner we had Denton's famous Barbecue with sides. At The reception we had Chicken Alfredo, Chicken Parmesan and grilled chicken and veggies for non pasta guest. He also conquered a few charcuterie boards. He made the best Alfredo sauce and red sauce we had ever tasted. Almost 2 years later friends and family still say that was the best wedding food they ever had."
